

MITO

01/05

**it's 3am and i've reread
the same slide six times**

**rereading my notes
feels like studying.
then i fail the practice test.**

**flashcards actually
work.
i just can't make
myself
open anki.**

**so i'm building the thing
that gets me to open them**

you review your real cards as a turn-based
fight.

comment **mito and
i'll send you the link**
