

A person with curly hair is lying in bed, covered by a patterned blanket. They are looking at a smartphone held in their hands. The phone screen displays a colorful game interface with various icons and a grid. The room is dimly lit, with a warm light source visible in the background, possibly a lamp or a window with light coming through. Several framed posters are visible on the wall behind the person.

**if you can keep a game
streak but not a study
streak, same**

**games already figured
out daily habits.
i just borrowed it
for flashcards.**
